

1 that before consideration of a motion to rise the entire
2 Committee of the Whole know what effect on the calendar
3 and agenda for ensuing days the adoption of such a motion
4 would cause. I therefore plan to follow the administrative
5 practice which I think is permitted under the rules
6 and in this theParliamentarian concurs, that in the event
7 a motion to rise is made in the Committee of the Whole by
8 any Delegate, it will not be debatable. But before
9 the motion is put to a vote, if it is made by any Delegate
10 other than the Chairman of the Committee on Calendar
11 and Agenda, I will recognize the Chairman of the Committee
12 on Calendar and Agenda to advise the Committee of the Whole
13 what effect the adoption of the amendment will have on
14 the calendar for the ensuing days.

15 This will not be debate, but will be merely
16 a statement for the information of the Committee of the
17 Whole. I make the announcement now so that you all will
18 be informed as to the procedure to be followed, and
19 my reasons for it.

20 I discussed this with the Chairman of the
21 Committee on Rules, Credentials and Convention Budget.
